

## Focus Workshop

### Fused Glass

Learn the basics. Create your own fused in laid pieces using an array of dichroic glass. Make 2 pendants and 2 pairs of earrings.

**Saturday, June 14 10-12 pm**

\$65 includes material for this project.

Call today to sign up 226-3223

Class size will be limited for this workshop.

**Instructor** – Angie Hendrix is a local artist who has worked in glass for nine years. She travels extensively as an artist and instructor throughout Virginia and the DC area.

**\*All classes require a non-refundable deposit in order to save your spot.**

In case of emergency – this deposit can be rolled to another class.
